Thank you for your generous offer to sponsor our Cardinals Baseball camp. Your partnership will help us to use baseball as a vehicle to teach our children important life skills; including communication, social skills, sharing, turn taking, teamwork, and of course football skills. We believe this camp and community activities are an important piece in every child's life, giving them a chance to participate at a level that will help develop them physically but also improve their self confidence by being a part of something they can truly succeed in.
