

Flag Football Practice—Weather
By Amy Johnson

I'm a flag football player, and I go to practice!

I practice flag football outside when the weather is nice.

If it is cloudy we can have flag football practice.

If it is raining we do not have flag football practice.

If the field is wet, we do not have flag football practice.

If there is lightening we do not have flag football practice.

My Mom or Dad know when it's time to go to practice.
