

TRICK OR TREAT

Trick or Treating Event for Children with Autism & Special Needs

October 29 at 5 PM - 7 PM

Courtyard Bloomington Normal

310A Greenbriar Drive, Normal, Illinois 61761

Bring all of your special Trick or Treaters out to the Courtyard for a night of family fun. We will have at least 20 rooms throughout the hotel designated for this event. So that all children can participate, our **treats** will be mostly **non-food items** with a few exceptions of some **allergy friendly candy**.

This is an open event for all children with special needs. Feel free to invite any of your friends who would benefit from this event.

Special Thank you to Autism McLean, Total Spectrum and the Bloomington-Normal Courtyard for donating the treats and the space.
